Three members of HU's chapter of the Society for Advancement of Management (SAM) attended the 2005 International Business Conference, "In Search of a Winning Strategy," in Las Vegas, Nev., in April.

Junior business management majors, Dwight Deneal, DeWarren Langley, and John Turner were participants and SAM Outstanding Student Award recipients. The board of directors elected 15 under-

graduate SAM student chapter members from colleges and universities throughout the U.S. to receive honors as National Outstanding Students of SAM. Langley was also elected to the 2005 - 2006 international board of directors of SAM.

Deneal is the 2005 - 2006 executive vice president of SAM, Langley currently serves as president, and Turner is the 2005 - 2006 vice president of programs for the HU chapter.

The national awards are designed to recognize the outstanding academic, extracurricular, and professional achievements of SAM students who have demonstrated commitment in management excellence through practice and personal merit.
